

Saint Agnes School 530 Lafond Avenue, St. Paul, MN 55103

February 10, 2017

Dear Parents/Guardians,

I am pleased to write to you today about an exciting opportunity for your son or daughter to earn college credit. Saint Agnes School has completed an agreement with the University of Mary to host a dual-enrollment program. This dual-enrollment program allows students who have a current cumulative GPA of 2.67 or higher (B-average or higher) to earn college credit simply by taking the rigorous courses that we already offer at Saint Agnes – courses taught by teachers who have either a Master’s degree or PhD. For 2017-18, we’ve added 6 additional classes, with 19 total!

The following courses are enrolled in the program and will count for college credit:

Saint Agnes School courses:

Latin I, Latin II, Latin III, Latin IV, Latin V
Catholic Moral Theology
Introduction to Old Testament
The Great Conversation: Integrated...
World Literature (Senior English)
European History (non-Honors & Honors)
Honors Physics (Honors only)
U.S. History (non-Honors & Honors)
Catholic Social Doctrine
Introduction to New Testament
Fundamentals of Engineering

UMary courses (each listed course will earn 3.00 college credits):

LAT 101, LAT 102, LAT 201, LAT 202, LAT 301
THE 270
THE 110
PHI 201
ENG 130
HIS 102
PHY 203
HIS 271
THE 208
THE 203
ENR 101

*****NOTE:** This course number (e.g. THE 270) will be used on the UMary registration form and are *required*.***

Offered Fall 2018 (NOT eligible for this round of registration):

- The Creed
- Apologetics
- A History of Catholic Dogma
- Sacraments & 10 Commandments

Why should I consider this for my student (please also see the attached Q & A document)?

- Potential to save hundreds and perhaps thousands of dollars on college tuition
- Exempted from credit requirements in college and/or possibility to take more advanced course work: for sure at UMary and, UMary assures, “are transferrable to just about every other college/university” (please contact UMary directly for more information on this)
- Students will receive a transcript from UMary upon completion and request (in addition to the report card and transcript from Saint Agnes School); families need to request these in the summer from UMary’s registrar office
- Minimum grade requirement (to earn credit at other college/universities) = depends on which college/university is accepting the transferrable credit, but at least a “B” is recommended to avoid issues

Requirements / Forms / Fee / Due Date

- **The cost for each course is \$90.** For example, three courses this semester would be \$270 total.
- **Students must have at least a 2.67 cumulative GPA to qualify**
- **Check is to be made out to Saint Agnes School;** for simplicity, Saint Agnes School will pay UMary directly with one large check to cover students’ fees
- **You may pay in cash/check or online** (for online payment, see reverse for directions); NOTE: no student may register and participate without this fee paid in advance with required forms
- **Please submit checks, cash, and forms to the Main Office**
- **Paperwork and fees DUE on Tuesday, December 19th - NO EXCEPTIONS!**

A blessed Advent to you and yours,
