- New onset cough**
 - Shortness of breath**
 - Fever** (temperature over 100.0°F) without having taken any fever-reducing medications
 - Loss of sense of taste/smell**
→ If yes, stay home; COVID-19 test (or quarantine for 10 days); follow physician/MDH requirements (click here for url: <https://www.health.state.mn.us/diseases/coronavirus/schools/exguide.pdf>)
- Or does your child have two (or more) of the following?
- Sore throat**
 - Congestion**
 - Vomiting**
 - Chills**
 - Headache**
 - Muscle pain**
 - Fatigue**
 - Nausea/diarrhea**
→ If yes, stay home; COVID-19 test if two or more (or quarantine for 10 days); follow physician/MDH requirements (click here for url: <https://www.health.state.mn.us/diseases/coronavirus/schools/exguide.pdf>)
- Has your child (or anyone you have been in close contact with) been diagnosed with COVID-19 (e.g., tested positive)?
→ If yes, stay home and following physician/MDH requirements (click here for url: <https://www.health.state.mn.us/diseases/coronavirus/schools/exguide.pdf>)
- Has your child been **asked to self-isolate or quarantine** by a medical professional or a local public health official?
→ If yes, stay home and following physician/MDH requirements

If you replied **YES to any of the questions** on the checklist, **keep your child home** and report your child's absence. Please call 651-925-8700.
